AUTOMATION SOFTWARE

Custom Industrial Automation Software & SCADA Systems

SCADA, Custom IIoT Software, 21 CFR Part 11 & Multi-Vendor PLC Programming

ENGINEERING & SOLUTIONS PARTNER

ENGINEERING OVERVIEW & TECHNOLOGY HIGHLIGHTS

SP Enterprises delivers turn-key software engineering, SCADA application development, custom plant monitoring software, 21 CFR Part 11 compliance systems, and multi-vendor PLC/HMI automation programming tailored for modern Industry 4.0 operations.

- SCADA development on industry platforms: Experion, Ignition, Wonderware InTouch, Siemens WinCC, Movicon.NExT
- Custom industrial telemetry, machine monitoring dashboards, OEE tracking, and predictive maintenance
- Seamless ERP / MES connectivity via OPC-UA, MQTT, SQL databases, and REST APIs
- Pharmaceutical compliance: FDA 21 CFR Part 11 compliant audit trail, electronic signatures, and secure batch reports
- Multi-vendor PLC programming: Siemens (TIA Portal), Rockwell Allen-Bradley, Schneider, Delta, Renu, Honeywell

SCADA & INDUSTRIAL SOFTWARE SOLUTIONS

Turn-key SCADA System Development

SCADA Solutions

Complete SCADA visualization, animated mimic screens, real-time alarm handling, and automated reporting.

• Ignition / Wonderware / WinCC / Experion • Scalable client-server architecture • Web and mobile browser clients

Pharma 21 CFR Part 11 Compliance Software

21 CFR Part 11

Custom electronic batch records, audit trail logging, user role management, and cryptographic electronic signatures.

• Audit trail with non-editable timestamps • Electronic signature authorization • CSV (Computer System Validation) ready

Custom IIoT & Telemetry Web Dashboards

Custom-built cloud and on-premise software for real-time machine telemetry, energy consumption monitoring, and OEE calculation.

• MQTT / OPC-UA / Modbus TCP protocols • Automated shift PDF reports & WhatsApp/Email alerts • SQL / InfluxDB historian

Multi-Vendor PLC & HMI Automation Programming

Certified control code development, logic optimization, motion control profiling, and commissioning across all major PLC brands.

• Siemens, Allen-Bradley, Schneider, Mitsubishi, Renu • Structured text & modular ladder logic • On-site and remote commissioning
